Grayling Charter Township provides **COMPACTING OF HOUSEHOLD TRASH, FOR RESIDENTS OF OUR TOWNSHIP** through a special assessment of \$45 annually. We mail a compactor permit to residents that own a home and pay property tax in our Township. The current permit is white with green print and was mailed with the 2014-2015 winter tax bill. If you own a home in Grayling Charter Township, paid the assessment, and need an additional permit you can purchase one for \$5.00. The permit allows you to dispose of seven 30 gallon bags of household trash each week. You will not receive a new permit this year. The green and white one will be valid for 2015-2019. **PLEASE! YOU MUST DISPLAY YOUR PERMIT OR YOU WILL BE CHARGED.**

We offer for Grayling Charter Township residents only the service of accepting some larger items not recyclable and that are not accepted at the compactor. Transporting and discarding of large items to the landfill is very costly, therefore a fee is charged to cover the cost based on the size of each item. Our pricing is structured to be less than most landfills. If you feel this is too expensive feel free to contact Waste Management, for their pricing, they do take some things we cannot accept.
